Why BFET

International Standard

Advance equality of educational opportunity for everyone as laid down at international level by UNESCO.

Learners Size

Conducive environment, well ventilated and spacious classrooms to accommodate a sizable number of learners.

Smart Classes

Well equiped classrooms with computerized digital board, a projector, laptop computer and internet facility.

27+ Subjects

Basically Adapted Curriculum (Nigeria Curriculum, British Curriculum and Montessori Curriculum)

Student Clubs

All learners are always involve in an extra-curricular activity to balance their learning routine. Sport is also essential in learning.

Payment Flexibility

Payment in installment is allowed (60% & 40%) to avoid depriving and denial of our potential learners a quality education.

BFET Homezone School is a wonderful place to learn. My team are smart, kind, and supportive. The school is well organized and efficient. What keeps me happy on a daily bases are the wonderful kids we have here.

Fabiyi Deborah

Head Of School

51

Graduates.

444+

Learners.

68+

Teachers.

27+

Subjects.

At a Glance

We believed it is very important to consult with our learners on a regular basis. As a result we find out what the children think, their learning rate and find a way to improve what we offer; this has help in no small measure on our

growth.
