## About us

**BFET Homezone Nursery and Primary is a citadel of knowledge, development and academic excellence located in a serene atmosphere at Plot 415, Block 17, Olusegun Anjorin Street, Hilltop Estate, Aboru, Iyana Ipaja, Alimosho Local Government Area of Lagos State. The Nursery and Primary School.**

The Nursery and Primary School is a subsidiary of BFET Homezone Educational Services Limited. The school was first established on the 1st of September 2010 as a day-care centre. At the instance of numerous and overwhelming demands by our esteemed parents and guardians, the school management took the positive step of incorporating the first three arms of primary school (i.e Grade 1-3) in the 2012/2013 academic session.

BFET Homezone believes that boys and girls are the heritage of God, and therefore deserve the best range of educational opportunities to bring out their God's given potentials. We are also committed to work in partnership with various stakeholders to ensure the fulfillment of God's given potentials in boys and girls.

The fundamental purpose of BFET Homezone is learning, not teaching. Here, you learn how to learn.
